Cochise county is not ready for division yet. Wait until we can stand

It keeps the people of Cochise county struggling to pay their taxes now. Divide the county, as is propoord in the Bowie county bill, would mean bankruptcy. Kill the bill.

The Bowie county bill should be, as it undoubtedly will be, chocked instanter by the council. The bugabo should be throttled and laid to rest.

The Bowie county ghost will not be a source of much trouble in the legislature. The bill will be kitled before its promoters knew what struck their pet scheme.

for the past year wes \$4.20. Should tends leaving for New York city Mon- tended. the Bowie county bill pass it would day morning. seriously disrupt the county and Anancially harase the untorn Borie county, doing more injury to both counties then any other legislation that could be saddled onto the taxpayers. Cochise already is burdened with a debt beyond the limit of the save benefitting a few Wilcox peoples cast on a visit to hi, wife and son, can be given for the continual bobbing up of the divisionists in that part of

y of the name, who did not aspire the father and the grandfather of realthy, capable children to hand down his name and the fortune accumulated by the sweat of his brow, from generation, to generation. There never was a wife fit to bear that noble title, who did not wish to wear womanhood's most glorious crown, the sceptre of motherhood. Thousands of wedded couples, otherwise happy, fall short of wedlock's greatest happiness because they are children. In the majority the sweat of his brow from generation to short of wedlock's greatest happiness be-cause they are children. In the majority of case, has is because the wire, him a ignorance or neglect, suffers from weak-ness and disease of the organs distinctly feminine. For women who suffer in this way there is one great medicine that does not fall to accomplish its purpose. It is Dr. Pierce's Favorite Prescription. It acts directly on the delicate organs concerned and makes them strong, healthy, vigorons. and makes them strong, healthy, vigorous virile and elastic. It allays inflammation heals ulceration, soothes pain and ton the shattered nerves. It fits for wifebox and motherhood. It quickens and vitalizes the distinctly feminine organism. It bun-ishes the maladies of the expectant months and makes baby's introduction to the world easy and almost painless. It insures the little new-comer's health and nourishment in plenty It is the best supportive tonic for nursing mothers.

Mrs. Jennie Parks, of Marshall, Spokane Co. Wash, writes: "I am glad to tell of the good results of your great medicine - Dr. Pierce."

In cases of constipation Dr. Pierce's

A. M. McLane, a blacksmith formerly in the employ of the A. & S E. R. R., was found dead in bed at the Norton house yesterday morning. coroner Williams was immediately notifi d, but as yet we can learn n

particulars. Those who declined to contribute loward the base hall ground fund because they were not asked to pluy with the team, will have the estisfac tion of knowing that they are a liberty to play and practice on the

ground the same as any one else. Quite a little excitement was created in town last night, it being reported that John Hughes was missing 'rom home. It seems that during the afternoon Joe Rielly, Mike Cun ningham, Harry Brown and John Hughes all started for a horseback ride to Naco. As the three first named gentl men pessed over the hill just beyond the point where the row branches off to the Cu-tom House they missed Hughes, but thinking him close probably behind the hil kept on until they became a little unessy, then turned back to see why he was not coming. They were un at le to find any trace of him so conelaged that he had turned and taker the road to the Custom House and would meet them at Naco, or has turned back to Bisbee. They preceeded to Naco, returning here late it. the evening. Upon their arrival they were somewhat alarmed to find that Hughes had not returned to Bisbee. and word was received from the Cutom House and Naco by paone tha he had not been there. A hunting

W th county seat removal and county division scheme the legislature wil develop that will give chemers any satisfaction.

The secretary of the interior's report shows that there are in Arz no 29.817,000 acres of desert land, and that there is water sufficient to irdgate 2,000,000 scres of this land if (00) acres more of Arizona land under cultivation by irrigation. It would make Arizona one of the richest agricultural regions in the world.

J. M. Cox the popular and efficient foreman of Ryan Bros cattle interestwas in town today, Mr. Cox states that the gold mine in the Dragoons, in which Ryan Bros, are interes ed, ilooking very encouraging and if the results of development continue to show up so favorably some extensive wors might be looked for in the early fature. This group of gold mines have always been regarded as valuable claims and development is bearing out the truth of the assertion. A tunnel over 300 feet has demonstrated the permonency of the ledge and the value of its or s justify the belief that with proper machinery and reduction works, another bullion producer will be added to the list of Arizona's paying mines.
